EWAY BILL

ONE SHOT

Chapter 12: E-Way Bill

E-Way Bill = Electronic document giving details of shipment

Place of Generation = GST Portal

Time of Generation = before commencement of movement of Goods

When E-Way Bill is Generated?

Every registered person who cause movement of goods, where Consignment value exceeds 50,000/- [Including GST excluding exempt supply]

- ✓ In relation to supply.
- ✓ For reason other than supply.
- ✓ Inward supply from unregistered person.

Compulsory generation of E-Way Bill irrespective of CV:

- ✓ Interstate transfer of Goods by Principal to Job worker.
- ✓ Interstate transfer of handicraft goods by person exempts from obtaining registration.

Who Will Generate E-Way Bill?

Part	Details	Person Responsible
Part-A	Details of Goods supplied, GSTIN of supplier & recipient, place of dispatch & delivery, doc no., date, value, HSN Code etc.	Person causing movement • Reg. Supplier & undertake transport → Supplier. • If recipient arranges transport – Recipient. • Unregistered supplier to registered recipient – Recipient. • Transporter, E-commerce, courier agency, if authorized by consignor.
Part B	Transporter details, Transport Doc no. Vehicle No.	• In case transport through road by transporter → Transporter • Transport in own conveyance/hired conveyance/ public transport → Person causing movement • Transport through rail/air/vessel → Person causing movement

In case Bill to Ship to Model

As there are 2 supplies involved but single movement of goods involved. Single E-way bill needs to be generated in such cases. Supplier or intermediate supplier can generate E-way bill.

Normally E-way bill valid only if Part-B is filled.

Exceptions to above

Goods transported for distance up to 50 km within State/UT.

- ✓ From Consignor place to transport place.
- ✓ From Transporter place to consignee place.

Validity period of E-way bill.

Transportation Through	Validity Period
Normal Cargo	One Day for every 200 km or part thereof
In case of over dimension cargo or multimodal shipment in which at least one leg involves transport by ships	One Day For every 20 km or part thereof

Note: Date of E-way bill generation period shall be counted from mid-night day on which bill generated.

i.e. E-way bill generated 2.00 pm of 19th April for Journey of 500 km so validity would be 3 days, from Midnight of 20-21 April till Midnight of 22-23 April.

Transfer / Extension / Edition of E-Way Bill

- ✓ In case of transfer of goods from one conveyance to another. Person making movement / transporter can update conveyance details in Part-B
#Updation can be made any number of times
- ✓ E-way bill can't be edited / modified it can be cancelled.

Acceptance/Rejection Of E-way Bill

By the recipient (if registered) or by the supplier within 72 hours or before the delivery goods, whichever is earlier

Cancellation of E-way bill

Goods not transported or not transported as per details.
E-way bill can be cancelled **within 24 hours** of generation.

Multiple Consignment

Transporter will generate the E-Way bill in following cases
